December 8, 1970

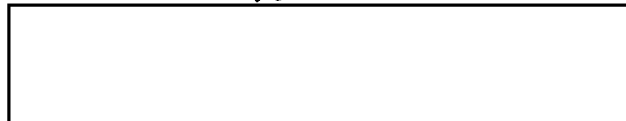

Dear Bill:

Here are the photos taken at the recent reception held in your honor. This set of color prints should nicely enhance the notebook we passed on at your official retirement gathering.

I enjoyed meeting your wife, mother-in-law and Mr.  In addition, I certainly appreciated your note of thanks concerning the occasion.

May I once again wish you all of the best for the future. Have a happy holiday season.

Sincerely,

Arthur C. Lundahl
